DETAILS:

Treat Accessibly, with the support of Canadian Tire, your local RE/MAX offices, Kinder, and Ellington Crescent residents, invite your family to an early Halloween experience with the goal to have fun and inspire accessible change across Canada.

In addition to accessible Trick-or-Treating for both edible and non-edible treats, kids and families will enjoy Magicians, a DJ, and variety of costumed entertainers. We warmly encourage parents to get in on the fun too and join their kids by wearing costumes for the event.

Our goal is to create a fun and safe Halloween experience-to-remember for those attending and to capture the memories and idea on video to then share, on social media, with homeowners across Canada to demonstrate an Accessible and Inclusive Halloween is the best kind of Halloween for everyBODY every year.

Join us and share the initiative with others you think would appreciate this experience!
