

October 12, 2023

Dear LEH parents,

We are once again partnering with Outreach High School to build connections and make Christmas a bit brighter for the remote community of Tuktoyaktuk - and we need your help! Constable Mackay, from the St. Albert community, spent some time working in Tuktoyaktuk and he shared his experiences with students at Outreach High School. A couple of these students were so inspired that they too wished to create connections and help bring some holiday cheer to these schools and communities for the 2023 holiday season.

There are approximately 200 students at the K-12 school in Tuktoyaktuk and our goal is to send each student a gift box.

***We have ordered boxes through ULINE and Buffalo Airline has generously offered to deliver them to Yellowknife! (a fee of \$10 per box is required for the additional transportation to Tuktoyaktuk)***

**We are hoping that a family sponsors a child by ordering and filling the box based on what a child would love to open. The boxes can be pretty modest. Even food is appreciated!**

If you would like to receive a box to fill, please include \$10 with the completed bottom portion of this letter and return to the school office or your child's teacher. When we receive your \$10, the school will send you a child's name, gender, age and box to fill! **Please Note: We only have 200 boxes, and they will be assigned on a first come, first served basis.**

Outreach High School is also doing additional boxes for seniors in the hospitals in Yellowknife. Depending on the interest in this project, we may have some additional boxes available for school children in the neighboring communities of Sachs Harbour and Yellowknife should the 200 boxes be sold out and you are still interested.

### FILLED BOXES DUE AT SCHOOL MONDAY NOVEMBER 6, 2023

I would love to participate in this Christmas initiative!

- I have included \$10 to purchase and fill a box (cash only)
- I understand that the box needs to be filled and returned by Monday, November 6th.
- Contact me if additional boxes become available
