

# FRIENDS OF LEH

## WHO ARE WE?

Friends of Lois E. Hole (LEH) School Enhancement Society is a group of parent volunteers. The group was formed in 2016 and aims to enrich learning and engagement by providing extracurricular activities and special community events for our students, families, and the wider community. The goal of Friends of LEH is to create a supportive, caring environment where childhood relationships nurture for a lifetime. We value parent and school staff feedback to determine the direction of our fundraising efforts and to identify key areas where funds raised can benefit the students and the school.

### WHAT DOES THE FUNDRAISING GO TO?

Fundraising efforts benefit our school in many ways, including:

- Playground Maintenance & expansion
- Reusable cutlery for each classroom
- Community involvement
- Technological needs for classrooms, i.e. Chromebooks
- Outdoor space enhancements
- Gym equipment
- Special Guests

## WHAT DO WE DO?

Friends of LEH engage in multiple fund-raising events throughout the year. Some examples include:

- Fun Lunch through Healthy Hunger
- Applying for community & government grants; casino funds
- Staff Appreciation Events
