IMPORTANT TO KNOW!

A Message from the Admin Team:

As we approach the month of May, the office staff at Lois E. Hole are making preparations for the next school year. Registration, staffing, budget, class organization and ordering materials for the next year are just a few of the tasks that happen at the end of a school year.

When creating new classes for the upcoming school year, school administration and teaching staff work in collaboration and take many factors into consideration. The composition of the learning groups are balanced to the best of our ability to accommodate student learning needs, class size, inclusion of special needs, behaviour, group dynamics, student ability and gender.

All learning groups include students with a range of abilities. Current classroom teachers share as much information as possible about each student so that all classes are created to be as productive as possible.

Accommodating many parent requests can complicate the task of balancing classes. Students can also put pressure on their parents to request a certain teacher or be with a certain friend. Parents then feel that they have to place a request for their child and the spiral continues—undoing, in some cases, the optimum learning groups that the teaching staff have worked so hard to create. We ask that you support our educational decisions by not requesting specific teachers or classrooms. Although, if parents have information concerning medical or educational needs, they are invited to provide the office with the information in writing so we can determine the most appropriate placement.

At Lois E. Hole School, we have a dedicated, professional, teaching staff that collectively work to provide excellent programs for our students. We'll be able to share our plans with you, however tentative they may be, in the upcoming weeks.

We continually strive to do our best in providing the optimum learning environments for our students to achieve success. Thank you for your support and trust in the professionals who work with your children.

Helen Nowell
Principal

Tammy Schepens
Assistant Principal

Cindy Jeffrey
Learning Supports Coordinator

Regarding Helmets:

We are excited to see all of the bikes and scooters making their way to school! Spring has arrived! In a continued effort to keep all of our students safe we would like to mention that It is the law in St. Albert that everyone needs to wear a helmet while on a bike, no matter their age. We also have a school policy that all students must wear a helmet on scooters or anything with wheels, including roller blades. Thank you for helping us teach our students best practices and how to keep themselves safe while scootering and biking. Attached is the link for biking safety from the city of St. Albert. [Bike Safety / City of St. Albert](#)

- Returning Student Registrations must be completed through your Parent Portal account. They aren't optional and are required to ensure your child's registration at Lois E. Hole continues for the 2025-2025 school year. If you require assistance logging into your account, please contact the office at 780-460-0034.
- New Student Registration is now open for the 2025-2026 school year. A new student is a child not currently enrolled in our school division. New Student Registration Form can be found at this link: [Registration](#)
- Soccer Academy Summer Camp: If you are interested in having your child participate in this camp during the summer break, please visit [this link](#) for registration and details.
- This year's yearbook is now available for pre-order. Orders are due by August 31 and will arrive at the school in the fall. Please see the link for details: [24-25 Yearbook](#)
