# IMPORTANT TO KNOW!

---

- Hi everyone! We're looking to get some quotes for quick curb edging around our pollinator garden, and we were wondering if any families have connections in landscaping who might be able to help. If you know someone who does this kind of work, we'd be very grateful if you could pass their info along. Please email Martin Dion with any information. Thanks so much for your support!
- On behalf of our school community, LEH Friends Society is organizing an LEH staff appreciation lunch in June! If there are any families interested in contributing:
  1. We are accepting monetary donations via [healthyhunger.ca](https://healthyhunger.ca) (the same website used for the Hot Lunch fundraising program) – it's the very last option in the list
  2. We would love to know if you have any recommendations, items or connections to local businesses to consider – please email us at [lehfriendsociety@gmail.com](mailto:lehfriendsociety@gmail.com)
- This year's yearbook is now available for pre-order. Orders are due by August 31 and will arrive at the school in the fall. Please see the link for details: [24-25 Yearbook](#)

## School Supply Lists

Families, you can purchase the school supplies listed below directly from School Start (our official school supply company for your convenience - our school's name is *(Lois E H)*), or you may utilize the same list to purchase your supplies locally. Remember, you can purchase parts of the additional section if your child already has supplies that are in good order from a previous year - please save money and the environment.

Parents can go directly to: <https://schoolstart.ca/>, and click on the following:
